

Faster, Safer, and It Keeps Your Rooms Cleaner

Introduction to Sole Mate

America's Only Commercial-Grade Automatic Shoe Cover Machine

Easy on, easy off, and oh so cool. The SM-76C automatic shoe cover is about convenience and dependability. Unlike traditional “blue booties” or mechanical shoe covers, the SM-76C eliminates single-use waste and makes it easy for visitors to cover their shoes. Just take it out of the box, plug it in, and you’re ready to go in minutes.

The SM-76C is the intelligent answer to shoe cover machines, one that easily automates what used to be a time-intensive and expensive part of doing business. Our automatic shoe covers are great for:

Medical Facilities

Laboratories

Manufacturing

Real Estate

Retail

Clean Rooms

Shoe Covers that Help Keep Your Rooms Clean and Safe

That's our commitment to you. As the sole distributor of the SM-76C automatic shoe cover machine in the United States, we're proud to offer you the most cost-effective, convenient, and efficient solution for clean rooms.

Whether you need an automatic shoe cover machine for your medical facility, laboratory, or real estate showing, the SM-76C makes things easy: just plug it in, step in, and off you go.

How Does the SM-76C Automatic Shoe Cover Machine Work?

Our patented automatic shoe covers are all about ease of use. No longer will guests and employees need to bend down to pull up a cloth cover, time after time. No longer will you need to constantly go through box after costly box of throwaway cloth shoe covers. The SM-76C automatic shoe cover is ready to go in three easy steps and in 3 seconds flat:

Step 1: LOAD thermo shrink film

Step 2: Plug IN and Get Ready

Step 3: Step IN and watch the magic!
